Heroes & Leaders mod

The 62nd Army conducted intense fighting on 23 October. The 138th Rifle Division, together with the 118th Regiment and 37th Guards Division, repulsed several attacks on the Barrikady Factory. The fighting degenerated into hand-to-hand combat and continued after nightfall. The Germans succeeded in penetrating in Stalinaya Street.

Elements of 212th German Infantry Regiment of 79th Infantry Division, and 36st Panzer Regiment of 14th Panzer Division, set up along south front of the Barrikady factory.
